REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents
Office of Patent Publication

P.O. Box 1450

Sir:

The Patentee respectfully requests that a Certificate of Correction be issued vacating the
Certificate of Correction requested on January 23, 2009, and entered on June 22, 2010, for the
above-identified United States patent.

The Certificate of Correction entered on June 22, 2010 (the "first Certificate of
Correction"), for the above-identified United States Patent was filed in error. The first
Certificate of Correction rescinded claim amendments that were presented as part of an
Amendment filed under 37 C.F.R. § 1.312 on January 12, 2008, and that were entered by the
United States Patent and Trademark Office on February 07, 2008.

When the request for the first Certificate of Correction was prepared, the claim amendments presented in the Amendment filed under 37 C.F.R. § 1.312 on January 12, 2008 were inadvertently missed, and, therefore, the issued patent appeared to have printing errors. As a result, the first Certificate of Correction was requested to correct the apparent printing errors. Upon review of the first Certificate of Correction, it was determined that the request for the first Certificate of Correction was filed in error and the apparent printing errors were not printing errors, but were instead changes to the claims made by way of the Amendment filed under 37 C.F.R. § 1.312 on January 12, 2008.

It is now requested that a Certificate of Correction be issued vacating the first Certificate of Correction entered on June 22, 2010. This will restore the claim amendments that were filed under 37 C.F.R. § 1.312 on January 12, 2008, and that were accepted by the United States Patent and Trademark Office on February 07, 2008.

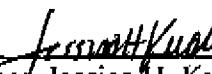

As this Certificate of Correction is requested to correct errors that were not the fault of the Patent and Trademark Office, the Patent and Trademark Office is authorized to charge Deposit Account No. 50-1778 the amount of \$100.00 in accordance with the provisions of 37 C.F.R. §§ 1.323 and 1.20(a). The Patent and Trademark Office is also authorized to charge any additional fees or credit any overpayment to deposit account number 50-1778.

If a telephone call would be helpful to process this request, the Office of Patent Publications is invited to telephone the below-signed attorney.
